

MYERS PARK BAND BOOSTERS
FINANCIAL AID REQUIREMENTS

The following conditions must be met and agreed to in order to obtain, and continue to receive, financial aid from the Myers Park Band Boosters.

1. Requests for financial aid must be made in writing and submitted to the Band Director before **August 15th**.
2. The band member recipient will attend all rehearsals on time, unless a documented emergency occurs and the Band Director has been notified prior to the rehearsal time.
3. The band member recipient will attend all days of band camp, all required football games, all competitions and the Carousel Parade (if applicable) as outlined in the calendar of events unless the Band Director has agreed to an exception due to extenuating circumstances.
4. The band member and the parent(s) agree to participate in all fundraising efforts to the maximum extent possible.
5. Any behavior unbecoming to the band member including, but not limited to, drinking alcoholic beverages, smoking, use of illegal drugs and suspension from school would result in a withdrawal of the balance of financial aid.
6. In the event financial aid is awarded, the parent(s) of the band member recipient agrees to pay the non-refundable Registration Fee of \$100 by the first day of Band Camp. Other payments due must be paid in a timely manner as established by the parent(s) and the Financial Aid Committee.
7. Should a band member recipient fail to remain a member of the band for the entire marching season, the Board may demand that he/she repay the assistance amount.
8. If a change in family status or financial position occurs that warrants special need after **August 15th**, requests may be submitted at that time.
9. Financial Aid will not be given for extracurricular activities such as band trips that are in addition to the regular performance schedule.
10. If the band account from a previous year is not paid, please contact the Treasurer to make arrangements to settle your account. No one will be considered for financial aid if they have a balance outstanding.

I have read the above conditions and requirements and understand that these must be met in order to obtain financial aid from the Myers Park Marching Mustangs for the **2008/2009** band year. Failure to comply with these guidelines will result in immediate forfeiture of balance of assistance and will preclude consideration for financial aid by the Myers Park Marching Mustangs in future years.
