

Dear Myers Park Band member or parent:

Did you know that you can help out THE BANDS of MP just by buying groceries? Link your Harris Teeter VIC card to 5118 next time you shop for groceries and we'll get a portion of the proceeds. I can't think of an easier way to give the band a little financial boost.

Even if you've already had your VIC card linked to us in the past, you must RE-LINK it for the new school year.

So remember: **5118.**
